- The image shows a 2D grid world environment. The grid is composed of small squares. A legend in the top-left corner defines the colors: orange for 'Start and Goal', blue for 'Start', red for 'Goal', and green for 'Non-task endpoint'. The grid is mostly blue, with a red square at the top-left corner (0,0) and a green square at the top-right corner (15,15). The legend is a gray box with a black border, containing four entries: an orange square, a blue square, a red square, and a green square, each followed by its corresponding label.
